

Get \$30 to install ENERGY STAR® Window Air Conditioner

Guidelines

1. Qualifying systems include – any ENERGY STAR® qualified window air conditioner
2. All customers qualify – residential, duplexes, condominiums, apartments, commercial, industrial, and agricultural.
3. The incentive payment is \$30.
4. The incentive payment to the homeowner will come directly from Cornhusker Power.
5. One way to determine if the appliance is ENERGY STAR® qualified is if the ENERGY STAR® logo is visible on either the appliance or packaging.
6. Each ENERGY STAR® qualified air conditioner must be installed on a customer's premise. A mobile home must be on a permanent foundation.
7. Each ENERGY STAR® qualified air conditioner is eligible for the full incentive amount. Each requires its own application.
8. Each application requires the customer's signature and a copy of the receipt. The receipt can be used to determine if the appliance is ENERGY STAR® qualified.
9. There are no size (Btuh or voltage) requirements or limitations.
10. Package Terminal (air conditioners or heat pumps) are not eligible.
