**Premium Efficiency Motor Incentive Program
2010 Program Guidelines**

1. Available to industrial and large commercial customers of Nebraska Public Power District and its wholesale utilities' customers through December 2010
2. Program is not available to customers who qualify for the Irrigation Incentive Program
3. Motor must meet National Electric Manufactureres Association's (NEMA) Premium standards as listed below: (if there is a discrepancy in the table below and the current NEMA Premium standard then the NEMA Premium Standard prevails.)
